18th April 2009

Dear Team Captain/Secretary

Please find enclosed the fixture list, handicaps and other assorted items for the summer league.

Please note that the week commencing 25<sup>th</sup> May is designated a free week to allow any outstanding matches to be played.

Games are played as best of 3 up to 21 with the handicaps calculated as in the enclosed sheet; (no doubles games are played). The handicap chart was extended recently to allow handicaps up to -12; please make sure that you use the new version for calculating the handicaps.

Quarter final places will be made up of the top 2 teams from each group after the initial stages and 2 of the 3<sup>rd</sup> place finishers (randomly selected once final positions are confirmed). This is due to the reduced number of groups this year.

Matches will be scored as below.

Win by 9-0, 8-1 or 7-2	5 points
Win by 6-3	4 points
Win by 5-4	3 points
Lose by 4-5	2 points
Lose by 3-6	1 point
Lose by 2-7, 1-8 or 0-9	0 points

Good luck,

Tim Sparks
